

Student Ministries

Jenny Bussee

Fresh Start

Summer has been a wonderful time of relaxation, and rejuvenation. I just got back from a trip to Jamaica and I know many of you have recently returned from your vacations as well. I believe taking some time and regrouping is essential to our effectiveness in ministry. One thing I noticed while on island time was that even though I don't see my church family as often during the summer, I never lose the hunger to be connected with you all. My prayer for all the students is that not only will they carry this hunger throughout the summertime but week to week as well. The relationships students build within ReSet will help equip them to face the challenges of Jr. High and High School, the best part is they do it together! Speaking of...

It's here! The beginning of another school year which means new backpacks, new schools and new students coming to ReSet!!! Whoo! I'm delighted to have our new Junior High students joining the ReSet family, and I look forward to how God will work in and through them! **Wednesday night ReSet resumes August 1st**. Let's celebrate! There's a family skate night scheduled for the first Monday of August. Come with your families and let's hang!

Finally, planning for our return to Haiti is underway. If you or your student is interested in serving in **Haiti in 2019** we have meetings every month to discuss, plan, and fellowship. **Our first meeting will be August 5th following service in the fellowship hall.** Please come and meet the team! Everyone is welcome!

I look forward to seeing you all Sunday! ~Jenny

Haiti Team Meeting

August 5th following service.

Please bring questions, concerns, oh and food to share!
