<sup>17</sup> **By this** is love perfected with us, so that we may have confidence for the day of judgment, because as he is so also are we in this world. <sup>18</sup> There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and whoever fears has not been perfected in love.

What I Want: Confidence on Judgement Day  
What I Want to Get Rid of: Fear
